ABOUT US

Imperial Royal General Trading L.L.C (IR) is a distinguished textile producer and marketer operating with its own manufacturing unit in Pakistan. Established since the last 35 years, IR has been exporting premium quality textile products to Europe and US and in 2013 opened its first international office in the UAE to address the growing needs of the GCC textile industry.

IR's competitive edge comes from its exclusive manufacturing unit that allows the company to offer highly competitive prices and uniquely customized products to its respected clients.

Committed to reduce operation costs and aiming to acquire more prominence in international markets, IR offers an array of dedicated services. These include: managing exports for principle clients, holistic marketing, order placements, export documentation and packaging, shipping, and after sales customer support.

PATIENT GOWNS

Our team at Imperial Royal manufactures with your needs in mind. Our apparels are comfortable for the patient, functional for the medical staff, and easy to process for the laundry. We offer a wide selection of patient gowns.

SHEETS AND PILLOW CASES

We at IMPERIAL ROYAL supply bed linen, which can be specifically tailored to serve the variety of needs in the hospitality and health care industry.

Our clients can choose from an attractive range of bed sheets and pillows designed to provide ultimate comfort and care to the user.

Our woven and knitted sheets are tailored to customer specification either in 100% cotton or poly cotton blends.
- We can offer the following thread counts from T130 to T300 or any other special requirement will also be catered.

SURGICAL TOWELS

Imperial Royal towel collection also includes surgical towels, which are best suited for use in the health care sector. These towels are made with a delicate balance of blend and strong construction to allow optimal use.

TOWELS

Imperial Royal Towel collection is the perfect option to boost your apparel image and enhance the patient experience. With a delicate balance of blend and strong construction, these towels look great even after numerous commercial washes.

BABY BLANKETS

We at Imperial Royal love children. To provide ultimate comfort to infants our baby blankets are made of durable cotton or cotton/poly blend fabric, which are machine-washed and meet high quality standards needed for infants safety and comfort.

BED LINEN

We also supply premium quality bed linen that can be specifically tailored for the hospitality industry. Our sateen and percale are known for their dense construction to withstand industrial washing while maintaining the stability and feel of the product. Our bed linen fulfills the need of the entire hospitality industry.

BATH LINEN

IR offers an exquisite variety of towels that display immaculate quality. Our towels are not only super soft but also more absorbent. The towels are specifically designed to withstand daily wear and tear and stand out as long-life, superior quality products.

We can fully customize each kind of towel based on the requirements and specifications provided by our customers. Our staff will be happy to work with you to offer you distinctive looking finalized product.

DUVET / PILLOW

We also supply premium quality bed linen that can be specifically tailored for the hospitality industry. Our sateen and percale are known for their dense construction to withstand industrial washing while maintaining the stability and feel of the product. Our bed linen fulfills the need of the entire hospitality industry.

MATTRESS / PILLOW PROTECTOR

Mattress Protector

Protect your mattress from stains and bed bugs, as an advise for long lasting of your mattress. To achieve these high level of protection we offer one of the finest standard and water proofings.

Pillow Protector

Pillow protector is not only a saviour for any liquid spills on your pillow but also a great help to preserve its original form by keeping it stainless.

TABLE COVER

We also supply premium quality bed linen that can be specifically tailored for the hospitality industry. Our sateen and percale are known for their dense construction to withstand industrial washing while maintaining the stability and feel of the product. Our bed linen fulfills the need of the entire hospitality industry.

NAPKIN

Imperial Royal are a true staple in many restaurant settings and are designed to be long lasting and affordable. With an undeniable softness and smoothness, our Momie cloth is mercerized for strength and longevity.

- * Beautiful simplicity
- * Ultimate quality and strength

KITCHEN TOWELS

The herringbone weave makes these towels almost lint-free. Great kitchen help for drying and wiping and for use as napkins. Our kitchen towel also includes glass towel which is designed to clean and put extra luster to glassware. It is soft and nonabrasive, with distinctive red stripes to help separate from other towels. It is quite soft and will lend itself very well to the most demanding task of drying delicate glassware.

BARMOPS

Our bar mops are designed to stand repeated commercial and institutional use. Great for general dusting and cleaning. Soft but sturdy enough to be washed over and over, very absorbent.
